ABOUT US

Mikimoto Exports is a privately owned company by its family members based at Chennai which happens to be one of the major port for Exports of Granites from India. Since 1997, Mikimoto Exports has been involved in the trading of Granite and natural stone products and in 2008, they established their own production centers to meet the high quality standards of their European customers.

Quality, attention to detail, reliability and prompt customer service are the utmost criteria for their success.

Currently, they are focused in **Black Granites** (without epoxy) from Warangal region which has demand all around the world as it has a wider application in construction, landscaping and monument industries.
